Description

A fine example of a sterling silver heart-shaped ring, pill or trinket box. It is a stylish and good quality piece, standing on three small feet with a hinged lid that opens to reveal a velvet lined interior. The top is engraved with swirling "J.G" initials and there is a small date 9/9/16 engraved on the side. It is clearly hallmarked for Levi & Salaman, Birmingham, 1907. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and minor signs of age and use and some small dinks and dents but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £15.
