Description

A lovely set of 3 small glass cups with exquisite solid silver mounts. They have a detailed classical design with square angular handles and etched bows on the top of the glass cups. The base of each mount is clearly hallmarked for B.Muller & Son, Chester, 1899. They are in good condition with clear hallmarks. There are no damages and they display beautifully. There are some faint surface marks on the glass and a few minor marks and signs of age and use on the silver but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5, rest of the world £20.
