Description

1930s Waltham full hunter pocket watch. The watch has a stem-winding movement, Traveler grade, which is working nicely. The nicely patterned movement is fully signed and the serial number 27707640 dates it back to 1932. The movement is protected by an inner hinged cover. The watch measures 50.5mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company, an English company who made the majority of cases for Waltham UK. The case has light surface marking from use but overall it is in nice condition for a 1930s piece. The front cover has monogrammed initials. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in good condition. The signed dial is in nice condition and it has its original blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
