Description

Very decorative and fully restored (and re wired) set of four nickel and brass column table lamps. Great quality set and have all cleaned and buffed up nicely. There are some age marks to the brass bases of the lamps where they have tarnished a little, but this adds to the patina and character of original pieces. The lamps have all been re wired and are ready to use. Shown here with an 18" black pleated silk shade as an example only, to give you a sense of their proportions. If you would rather have a pair, do get in touch, no problem at all. Measuring: 31 1/2" or 80cm to the top of the example 18" diameter shades 21" or 53.5cm high to bulb holder 5 1/4" or 13.5cm square bases
