Description

Great size original country house butchers block with bags of character and a reclaimed pine pot board base with slatted shelf. One side is well used and has fantastic contours, but if you'd rather a smoother surface, you can use the other side which is pretty much flat and unused. Great piece to use in your kitchen, but would also work really well as a console or sideboard server. The condition is good, obviously you have lots of age and use related marks and scuffs, but the frame is solid and ready for heavy use. Measuring: 31 3/4" or 80.5cm high 48" or 122cm wide 24" or 61cm deep Floor to under shelf 11 1/4" or 28.5cm high Shelf to under top 7 7/8" or 20cm
