Description

A really superb quality mid/late Victorian DRINKS CABINET in particularly fine original condition. The 'crisp' and beautifully-figured coromandel case opens conventionally from the top, but with the addition of twin doors to the front, to reveal the set of three original decanters and a total of 14 glasses. Astonishingly all these are in perfect condition, as are the three original matching decanters and stoppers. An applied brass plaque to the base is engraved: "Chapmans Patent". 13ins wide; 8ins deep; 9.5ins high.

Internal Ref: 2134
