Description

Gents Smiths De Luxe wrist watch, c1960. The watch has a 17-jewel hand-winding movement which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is gold plated and there is the odd mark and some rubbing to the plate on the lugs but you have to look quite closely to see. The lens is in good condition. The signed dial has its original hands and centre seconds hand with pointer end. A new leather strap has been fitted. The watch will be sent in a new presentation box
