Description

A fine example of a large sterling silver cup or trophy with twin handles and a round footed base. It has not been engraved. It is stylish and good quality, weighing approximately 257g. It is clearly hallmarked for T.S. Birmingham, 1932. It is in good condition with a clear hallmark. There are no major damages and it displays beautifully. There are some faint internal surface marks and a few light surface marks and a small dent near the top of the foot (see photo) but nothing detrimental and it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £20.
