Description

~ French - Dated 1894 ~ ~ Excellent condition, fully overhauled ~ ~ A beautiful classical clock set, excellent quality gilded bronze mounted with finely painted porcelain. The vases, pillars and dial are profusely decorated with English country garden flowers. Among the flowers are charming and delicately painted birds tending to their nests. A bullfinch is just about to land on the centre of the dial. To the bottom of the case is a lovely inscription "Presented to Mr and Mrs R.R. Pearce on their golden wedding by their children 1894". The French movement is by A. D. Mougin and is of the company's usual high quality. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is an old replacement. It runs for 8 days and strikes the hours and halves on a gong. A video clip is available on our website to watch the clock running. Condition of the case is excellent, beautifully clean and bright with some minor wear and marks. The porcelain is in excellent condition. A. D. Mougin clockmakers mark on the movement backplate Complete with pendulum, bell and a suitable key. Full setting up instructions supplied if required. Di...
