Description

Edwardian mahogany pedestal desk. This Edwardian mahogany pedestal desk was made circa 1890-1910. It has its original brass handles that are heavily influenced by the Art Nouveau movement of the day. The pedestal desk is in 3 parts, the pair of pedestals each with 3 graduated drawers and the top section that has the usual wide drawer above the kneehole and a smaller drawer to each side of it. Our specialist has laid in the hand tooled and dyed leather hide finishing it with our Autumn leaves colour. The drawers are all lined with mahogany and there is a key that fits all the drawers. Imagine how good this will look in your home. 122cms wide 48ins 65cms deep 25 1/2ins 77.5cms high 30 1/2ins. All measurements are approximate. This Edwardian mahogany pedestal desk is a finite piece of antique furniture that is a very green product which has not affected the environment we live in.
