Description

A gilt brass pocket Barometer with Altimeter scale in case. c.1890. Made in Great Britain. Retailers name on dial and label in box. J Lizars Edinburgh. Rotating altitude dial in feet. Some oxidisation to silvered dial. Wear and losses to leather on case. Measurements shown are the maximum ones for the case. Additional photographs and information available on request. FaceTime facility available. Please be aware that the item is old and antique and study any photographs to satisfy yourself as to its condition as much as possible. While we take all efforts to provide something that is fit for the use intended there may be various condition issues that are commensurate with age and considered part of its history, and are very subjective. However, you have legal rights and Consumer Contract Regulations (2014) still apply for "Distance Selling" if this is not a "face-to-face" purchase. The advertised price includes packing and postage within mainland U.K. with Royal Mail's 2nd Class Service. Special Delivery Tracked and Signed for Service can be requested. Money back guarantee if you are not satisfied. Monies will be refunded on safe return of the item to us in the sa...
