Description

This good quality Carved Oriental Occasional Table, is very well carved, being both crisp and deep. With pierced floral carving to the apron, combining with creatures' heads at the top of the legs that themselves terminate in a ball and claw. The full-size shelf adds another element to the table, as does the gloriously shaped and carved top, which has a pink marble centre. All timber used is of substantial dimensions, with obviously no concern at the time of making, regarding cost cutting. An extremely useful table, with the added benefit of the durability offered by the marble top. Circa 1900 Dimensions Diameter Of Top 22in/56cm Height 23in/58cm
