Description

A nice quality Regency bracket clock with 8 day fusee movement. The good quality 8 day movement strikes the hours on a bell and has a painted convex dial and fine spade hands. The case is in mahogany with lots of fine brass inlay. To the sides are nice fish scale pierced brass panels and at the top is a pineapple finial. It has a cast brass bezel with a convex glass. The clock stands on stylish brass paw feet. The case is in good original condition and is a lovely colour. The movement is in good condition, running well and keeping good time. The maximum dimensions are: 51cm (20") high 33cm (13") wide 23cm (9") deep. If purchased at the full listed price the clock will be sold with a 12 month guarantee (based on the clock being returned to Watlington). Free local delivery (70mls), national and international delivery arranged at cost.
