Description

A fine example of a large antique solid silver salver dish with gadrooned rim set on 4 ball and claw feet. It is stylish and good quality, weighing approximately 581g. It is clearly hallmarked for Thomas Bradbury & Sons, London, 1901. It is in excellent condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few light surface scratches (see photos) and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £10, rest of the world £25.
