Description

A fine example of a solid sterling silver tea pot with a wavy rim standing on four feet with an ebonies handle. It is stylish and excellent quality, weighing a total of 365g with the handles. It is clearly hallmarked for Barker Brothers, Chester, 1919. It is in very good condition for its age and the hallmark is clear. There are no major damages and it displays beautifully. There is a small split near the end of the spout and there are some faint surface scratches and a few light surface marks and dinks but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £10, rest of the world £25.
