Description

These jars featuring this adorable cat are always in high demand, I'm always delighted to find one in such lovely condition. Dating to around 1900 / 1910, the glass base is molded rather than hand cut crystal, this one particularly attractive with a variety of designs. The brass top has been professionally re-polished to gleam. The wonderful detailing of these cats always amazes me, beautifully executed with two tiny and charming glass eyes. Excellent condition, measuring 2 1/2" tall with a lid diameter measuring 2". Item ID: 31722 -----
