Description

1930s Cyma pocket watch and chain. The watch has a good quality stem-winding movement, 15 jewels, three adjustments, and it is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it is in very nice condition. The watch glass is in good condition, and it has a nice deep bevelled edge. The dial is in lovely condition and has original blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single albert, 29cm long including the clasps. The watch and chain come in a vintage presentation box from a Southport jeweller.
