Description

Very good quality antique Victorian Wellington chest in good original condition & slightly larger than the average. It has the usual seven drawers, which are all graduated in depth & have mahogany turned handles. This chest has the locking bar on the right which has a working key. There are well carved corbels on the top & it sits on a plinth base. It has generous proportions & a lovely warm colour too. I would date it to around the 1860's period. Width - 24 inches, 61 cm Depth - 18 inches, 46 cm Height - 44 inches, 111 cm
