Description

Antique deep buttoned leather upholstered stool on a mahogany frame with six turned mahogany legs. This stool has some age, but I believe it's been adapted. The leather seat which has lots of character is deep buttoned & hand tacked onto the frame. I believe it's not that old or some parts like the legs could be Victorian. Length – 56.5", 144 cm Depth – 20.5", 52 cm Height – 20", 50 cm
