Description

A rare opportunity to acquire a perfect condition Art Deco ladies wrist watch which is what we call 'old new stock', that is to say it's of the period dating to the 1930's but has never been sold, marketed or worn, as you can imagine that's pretty rare. We have been lucky enough to have sourced a few of these watches this year, all Art Deco styled and all dating and original to the 1930's. Watches in this condition, from those years are unique and difficult to find. Never worn this timepiece has been kept in a drawer for several dozen years. In August 2019 this watch had a thorough service, fully stripped, cleaned, oiled and timed. Runs on 15 Jewels. Chrome-plated, never worn, slightest, superficial storage marks, very good condition for the age, 33 x 22 mm without lugs. Original, champagne-coloured dial with Arabic numerals, finely painted yellow hands and numerals with luminescent paint (the paint does not seem to be in working (doesn't show up in the dark)). The glass crystal is unscratched. Complimentary leather strap adds to the wow factor to this watch. The watch is perfect both for everyday wear and for adding to the collections. Lovely watch any lady would love ...
