## Description

What a beauty this pincushion is, the full figured flapper sitting casually on a peach coloured velveteen pin cushion. It has a pillow for her to lean on and that has corded tassels at each end. There is two-toned silk coloured ribbon around the base. Very typical of the makers Fasold and Stauch with attention to detail and exquisitely executed. She is not only rare herself but to also be on such a well preserved and unusual cushion is amazing. She's in excellent condition, there are no chips or cracks or paint loss. The pincushion is 4-3/8" (11cm) wide and with the half doll is 4-1/8" (10.3cm) high. Stamped Germany on the base of the cushion.
