Description

A fabulous diamante evening bag enclosing fitted compact. The bag which is covered with sparkling diamante stones, has a round gilt chain handle, the gilt frame has close set stones and tiny glass beads in a twisted rope effect. The bag is lined with ivory satin and the second gilt compartment has a mirror, powder compact, a further hinged compartment and space for a lipstick. The condition is good, there are two diamante stones missing near the clasp, but this is not obvious and would not be noticeable when used. The handle is strong and the frame and clasp are in perfect working order. A gorgeous and glamorous bag. c.1950 Width: 6.75" 17cm Height: 5" 13cm Depth: 1.5" 4cm
