Description

An antique pine bedside cupboard dating from c.1920's, in good clean condition. It has two small drawers, each with small wooden knobs, over a two panelled door cupboard. Inside the cupboard is a single shelf. These small cupboards make excellent TV stands, hiding away leads and accessories inside the cupboard. They also serve well as bathroom storage cupboards, or as originally intended as a bedside cupboard. Recently stripped to the bare wood, it is now ready for waxing or painting. Please contact us for a quote for painting. Price includes waxing. Can be bought in the bare wood (as seen here). Height 29.5", width 33", depth 19.5"
