Description

A charming pine chest, dating from the turn of the century, in good condition for its age. Smaller than usual and not such a high dome shaped top, so could potentially be used as a coffee table alternative if wanted. It would also make a lovely children's toy box. The lock and key are in good working order, as are the original carrying handles. Inside the chest is the original candle box. Useful as a shoe box, or as originally intended blanket/linen chest. Recently stripped to the bare wood, and wax finished. Height 24", width 34.5", depth 21"
