Description

A very nice example of a flat top linen chest dating from c.1910. It is in excellent clean condition, having recently been stripped to the bare wood. The lock and key are in good working order, as are the carrying handles. It has an attractive panelled front and is stood on feet. Inside the chest you will find the original penny end hinges and candle box, all in good order. It is a lovely size chest which can accommodate plenty of storage, whether that be blankets/linen, shoes or clothing. These flat top boxes also make a nice alternative to a coffee table. Can be bought, as seen, in the bare wood for £350, or waxed for £427. Height 21", width 48", depth 24.5"
