Description

A fine late 17th century Flemish cupboard of good proportions, Having Two large cushion molded doors with integral shelving and smaller drawer. The doors retain the original working lock and key, Below the doors is a large drawer. The cupboard is mainly constructed from oak with walnut veneers and stands on two large ebonised bun feet with straight stiles at the back. The cornice is heavily molded and has three finely carved lions masks with bronze rings through their mouths. The cupboard has fantastic colour and patination and is in excellent condition.
