Description

This pair of Swedish Art Deco Armchairs have just come from Sweden, been French polished & re-upholstered in our regular cream cotton linen fabric. We had six different models just arrived from Sweden, however four pairs were already sold before they arrived, because they were purchased on the images before they were done up. So, we only have this pair plus one more slightly different pair going on soon available. There are also more coming in the New Year, so if you want them upholstered in your own fabric let me know & I can send you the images of them in the rough. The pair that you see here have the usual stylish Satin Birch frames & date from the 1930's. They are in excellent condition & fully sprung. Width – 25 inches, 64 cm Depth – 30 inches, 76 cm Height – 29 inches, 74 cm Seat height – 16 inches, 41 cm
