Description

Very decorative Victorian black lacquered and burl walnut pier cabinet with original brass mounts and original glass to the door. Good finish to the black lacquer and contrasts beautifully with the burl walnut, string inlay and the brass mounts. Flanked by turned columns with further string inlays, standing on turned feet. Super quality and in lovely condition, this piece would sit well as a pier cabinet for display both to the top surface and the shelved interior, but also as a hall console piece perhaps too.
