Description

It's been several years since I have had a pair of Ivory clad Opera glasses, simply because they are always damaged. This pair is wonderful condition and without and cracks or chips to the Ivory. Each of the eye pieces is signed by the retailer, "H. Cerf / Opticien / Bruxelles" and the other includes the address "59 Rue De La Madeleine / Bruxelles"; although retailed in Belgium, I would imagine French in origin. The ivory has a wonderful glossy patina and the wheel for adjusting the focus is also made from carved Ivory. The optics are excellent, some wear to the gilded frame consistent with age dating to around 1890. 4 1/8" wide x 2 3/8" extending to 3 1/4". Complete with their original red velvet drawstring bag.
