Description

This set of six antique William IV mahogany dining chairs are in good original condition. We have just given them a slight polish ourselves, so there is a bit of fade & natural ageing to the polished surface, which gives them loads of character. They are sturdy & strong. The upholstery looks like imitation leather & is in good condition too. We could go the whole way & have them professionally polished & recovered, but the price will go up & you might end up with the wrong coloured fabric for your taste. Consequently, we are selling them for a very reasonable price. These chairs have carved cross rails on the backs & the typically shaped William IV legs. They are very good quality & date to the 1830-40's period. Width - 19 inches, 48 cm Depth - 19 inches, 48 cm Height - 34 inches, 87 cm Seat height - 18 inches, 46 cm
