Description

Really lovely original period William IV simulated rosewood scroll end chaise longue or window seat. Great style with the scrolling end and overside lower end, standing on turned feet and castors. The upholstery is vintage, so there are some signs of age to it, but it is certainly useable as is and the horsehair cushion is good too. The size that this is, it could work very well as an extra seat in a living room, chaise longue or daybed, but also as a window seat too. It is finished to both sides, so you can free stand it if necessary. The frame is solid and has been cleaned and wax polished. Measuring: 31" or 79cm high 25" or 64cm wide 75" or 191cm long Low end is 22 1/2" or 57cm high Cushion 63" or 157cm long Seat height 17" or 42cm
