Description

A superb mahogany side table dating from the late 19th Century. It is set on tapering square legs terminating in brass castors. It has a raised gallery along the back side and it has two drawers, each with its original brass ring pull handle. The drawer is stamped "Edwards & Roberts". Good proportions, perfect for a hallway or a small writing desk. It is in excellent condition and is strong and sturdy. The drawers open well and are generally clean and tidy inside. The colour is rich and has a wonderful patina. There are some signs of age and use and light surface marks but nothing detrimental. There is a small chip to the back of the gallery but no other damages. It has been cleaned and gently polished and is ready for use.
