Description

A beautiful mahogany chest of drawers dating from the early 19th Century. Excellent quality and very well made with a lovely rich patina. It is an unusual tall and narrow shape set on bracket feet with four drawers, each with small brass knobs. The drawers are oak lined, they open well and are generally clean and tidy inside and they come with their original working key. It is in very good condition for its age. It has been sympathetically re-polished and has a wonderful colour and grain. There are the usual small signs of age and use, some minor marks and small knocks and some surface stains on the top but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton. Regular deliveries to London for £60. Nationwide delivery available, please get in touch for an accurate quote.
