Description

Very decorative and fully restored Victorian solid mahogany long stool with fabulous legs and newly upholstered. Lovely piece to use as a hall bench perhaps, but also works well as additional occasional seating for two adults in a living room for example, also perhaps to use as a clothes horse at the end of a bed. The frame has been completely restored, so it is a good solid and stable stool. Good rich mahogany tone to the legs and well polished. Measuring: 19" or 48cm high 42" or 107cm wide 18 1/2" or 47cm deep

Internal Ref: a1300
