A fine example of a Georgian solid sterling silver Christening Cup with gadrooned detail, a curved handle and a round foot. It is stylish and good quality, weighing approximately 89g. It is clearly hallmarked for I.B. London, 1819. It is in good condition with a clear hallmark. There are no major damages and it displays beautifully. There are some faint internal surface marks and a few light surface marks and scratches and some small dinks but nothing detrimental and it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
