Description

1930s Omega pocket watch and chain. The watch has a stem-winding movement, calibre 38.5L T1, which is working nicely. The movement is signed with the Omega name and the serial number dates it back to around 1935. The movement is protected by an inner hinged cover. The watch measures 47mm diameter excluding the winding stem, crown and loop. The case is nickel and is in good condition for such an early piece, some slight unevenness to the back and general light surface marks. The watch glass is in good condition. The signed dial is in lovely condition. Breguet style hands and an outer minute track with 24 hour markings. The watch comes with a single chain, 26cm long including the clasps. The watch and chain will be sent in a new presentation box.
