

SA670638

1920s Omega pocket watch and chain

Price

Sold**Item Reference: SA670638****Date of manufacture: 1920**

Description

1920s Omega pocket watch and chain. The watch has a stem-winding movement, 19LB, which is working nicely. The 19LB is a good quality movement, the L refers to the Lépine design and the B refers to the B model which has 15 jewels, Breguet hairspring and compensating balance. The movement is fully signed with the Omega name and the serial number 6,037,951 dates it back to around 1923. The movement is protected by an inner hinged cover which has a small indentation. The watch measures 49mm diameter excluding the winding stem, crown and loop. The case is in good condition, just very light unevenness to the back and some minor surface marks, nothing serious at all. The acrylic lens is in good condition. The signed dial has blued steel hands, a subsidiary seconds dial and an outer minute track with red 24 hour markers. There is some damage at number 12. The watch comes with a single chain, 26cm long including the clasps. The watch and chain will be sent in a new presentation box.
