Description

This antique / vintage long cricket bag is made of dark brown leather which has developed a nice patina especially on the handles, has three buckled straps, carrying handle and a brass lock. The outside of the bag has the initials L.P. embossed on the side. This decorative leather bag would have been used to carry cricket kit - shoes, pads, bat etc and this one looks so wonderful on display it would make a great show item in a shop, bar or cricket club. Would make an interesting addition to a collection of cricket memorabilia. Length: 94 cm (37") approx. Height: 25 cm (10") approx. Width: 25 cm (10") approx. Weight: 3.92 kg. Material: Leather. Date: Early 20th century. Condition: Well used vintage decorative condition with scuffs, scrapes, cracking and marks from years of use. Some pulled stitching. Some old repairs. The centre strap is a later replacement. Handle is in good strong condition. No lining. There is no key for the lock but the bag stays shut with the straps.
