## Description

An exceptionally fine William & Mary period Chest-on-Stand decorated on each show-surface with variously shaped panels of intricately detailed arabesque seaweed marquetry, within leaf-trail and spear-head borders, all on a ground of geometrically arranged princes wood oyster-pieces. The two short and three long drawers have fine wainscot oak linings, original engraved brass escutcheons and replaced drop-handles. The stand has five turned baluster legs united by shaped stretchers which are also decorated with marquetry panels. The bun feet have been replaced. In excellent condition.
