Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Longines. It has a platinum case and the most exquisite European old cut diamonds which are incredibly white, bright and crisp and deeper than modern day diamonds, the sparkle they generate is quite something. The total carat weight is approximately 2.5cts. It also has diamonds to the shoulders. The case is French made and is very heavy. The dial with rose gold hands and baton markers is in mint condition having been fully restored and it has a facet cut crystal glass. It is fitted to a solid 18ct white gold frosted finish bracelet which adds to the sparkle of the diamonds and will fit a maximum wrist size of up to 6.5 inches but this can easily be reduced by a competent jeweller. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine, this is one of the best quality watches we have come across. The calibre 320 17 jewel movement is an absolutely incredible sparkling clean and in like new condition, this is the finest small movement from the golden age of Swiss watchmaking during...
