Description

A Large William IV Flame Mahogany Chest of Drawers. The chest has two short drawers near the top and three graduated long drawers beneath, there is also a small jewellery drawer in the centre top. The chest is made with beautiful matched Flame Mahogany Veneers, and is decorated with geometric mouldings and cross banded insets, the top has an attractive curved edge. This is a very big chest of drawers; it stands on Ogee feet and has shield shaped escutcheons. The drawers run very smoothly; they have brass Swan Neck handles. The chest is of good solid construction; it has no creaks or woodworm, and the drawers run well, and it is in good condition with age related wear. The key in the top drawer acts as a handle only as the lock does not work, the drawer interiors still have the remains of their blue sugar paper lining. The chest measures 52" high, 53" wide and 22" deep. SH48. We Give Free Delivery to Mainland England & Wales. Delivery times vary according to your location, usually 7 to 28 days.
