Depth = 48 cm (18.9")

Description

19th Century Copper Cauldron or Log Bin This is a lovely big copper Cauldron, with an unusual shape and. Slightly curved bottom, this is a good big piece and would make a really good log container and handy because it has a strong iron carrying handle The cauldron is in good well aged condition, not water tight, it is 19" in diameter and 12" high (not including the handle) EB72 Delivery times vary from 7 to 28 days For more pictures and more information please email, you can find contact details in the business seller information section below or we have an internet site. We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. The item must be returned back at the buyers expense, in the same condition as it left and a full refund will be issued Normally we are unable to offer collection

Internal Ref: EB72
