Description

Here we see an early kilim woven by Qashqa'i nomads during the third quarter 19th century - maybe even mid 19th century. The soft vegetable-dye palette is elegant with a field of 'eyes' disappearing under the protective borders and out into infinity. I have to say, this is probably my favourite Qashqa'i kilim. Truly superb in every way. Size: 2.60 x 1.60m (8' 6" x 5' 3").
