Description

Fine quality 18th century Dutch carved oak framed decorative brass wall plaque. Very nicely carved oak frame. The back has an inscription to it with a date of 1786. There are two small holes in the brass near the base which would suggest it originally had a candle sconce attached. A really nice, attractive item which is in-expensive. SIZE; 21" high by 14" wide CIRCA; DATED 1786
