Description

11ft Harvest Table From South West France A Very Very Long French Harvest Table This table comes from the South of France, harvest tables were used outdoors to celebrate the gathered Wine Harvest so it needs to be big enough to seat all the farm hands. The narrowness of the table make it easy to take in and out of doors, and it stands on sturdy 3" square legs. This charming farmhouse table has a top made from one piece of hard fruit wood, which has superb figuring, it is beautifully aged and has a delightful patina, the table legs have been painted to it give a new fresh look. The table is 132" long, 26" wide, it is 30" high and 24" under knee HT126 We Give Free Delivery to Mainland England & Wales. Delivery times vary according to your location usually 7 to 28 days.
