Description

A very interesting Oil on board, abstract landscape, unfortunately, we do not recognise this signature although this is a very well painted quite striking style. 1950's, 50 cm x 85 cm, indistinctly signed. A good centrepiece painting that definitely draws the eye. CONDITION REPORT: The condition of the painting is generally good. There are some very minor marks to the paintwork but nothing of any note. The board on which the picture is painted is not warped. The simple gilt frame is in generally good order with only very minor blemishes. Ready to hang.
