Description

Fine quality mid 19th century leather fitted jewelry box or vanity case. The leather has a tooled in pattern and is also decorated with a gilt line. The case is beautifully fitted inside with plush red velvet. I'm not sure exactly what it has been used for but it would make a super Ladies jewelry box. The box is in very good condition with no damage to the leather at all and it is a very nice colour. SIZE; 12" by 8" by 6" high CIRCA; 1850
