## Description

Large ,heavy (2.3 kg) and impressive antique French barbers bleeding bowl,c1880. This is the best example I have seen with great colour/patina and lovely decoration. It has the typical cut away section and is in white metal/pewter. There is a central panel depicting a man in period costume being bled by a barber/surgeon. The outside of the bowl is decorated with script " Le melonogene dicquomare le rouen chenoeux a la barbe" (or similar, sorry French isn't a strength!). Overall condition is good with only minor surface wear/rubbing and Verdigris. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: 35 cm long x 28 cm wide x 3 cm thick/deep. Weight 2.3 kg. I will happily ship worldwide.
