Description

This antique linen press is extremely fine quality & in good original condition. Dating from the 1890's period, it has many fine features. The satinwood inlays are all over the front, which is also flame mahogany. There's a brass beading between the top cupboards & the drawers have the original brass handles, plus locks. Inside the two cupboards are three sliding trays. The drawers in the base are finely dovetailed & all work well. I particularly like the curved middle section above the drawer section which the cupboard sits inside of. This linen press has a good original look, with natural fade in places & also has a very stylish design. It separates into three sections – cornice, top cupboards & the drawer section. Width – 48 inches, 122 cm Depth – 23 inches, 59 cm Height – 83 inches, 211 cm
