Description

A very large antique pine hall cupboard or wardrobe (Circa: 1900), with 2 doors, and 2 drawers at the bottom. Beautiful decorative features, currently in bare wood having been recently stripped of its original paint. (Can be purchased as it is for £900). This totally dismantles for delivery so should go up any stairway. Let me know where you are if you'd like us to deliver and assemble for you. All in very nice condition for its age, drawers sliding nicely and lock and catches will be working. We can fit pine knobs or porcelain knobs on the drawers for you. With an internal depth of 17", this may be a little shallow to hang large coats etc using conventional hangers so you may like to keep the current original hanging pegs. We can fit a new hanging rail though if you'd like us to. If you'd like it completely fitted with shelves let us know. Height: 86", width: 70.5", depth: 27", internal depth: 17"
